

FOR IMMEDIATE RELEASE

DOREEN TO PARTICIPATE IN SHOT UNIVERSITY LEADERSHIP PANEL

Lyons Falls, NY: Otis Technology has announced that its founder, Doreen Garrett will participate in the leadership development forum on Wednesday, January 20th at 2:30pm at the 2016 SHOT Show in Las Vegas.

The leadership development forum is part of the retailer sessions of SHOT Show University. In this forum, Doreen will join three other industry leaders as they review the strategies they employed to achieve the success they have had, what they do to continue their success and the professional pitfalls to avoid.

“Doreen and her family have overcome many obstacles over the past thirty years as they’ve grown Otis Technology. The success of the company is a direct result of her leadership and perseverance and she has much knowledge and experience to share,” states Frank Devlin, national sales manager for Otis Technology.

Doreen says, “I’m truly honored to be a part of the leadership development forum. Launching a business is not easy, and I look forward to providing insight and guidance to retailers at this event.”

Otis Technology is known for manufacturing the most advanced gun cleaning systems available. The superior Breech-to-Muzzle® design combined with unmatched quality has positioned Otis as the gun care system of choice with the US Military. Otis Technology is ***SMART GUN CARE***.
